The Dispensing Specialist

## ASEPT PORTION PUMP

### Clean. User friendly. Exact portioning.

Serving sauces and condiments with exact portions has never been easier or cleaner.

The ASEPT Portion Pump works with your existing FIFO Bottles™ to dispense just the right amount.

The encapsulated pump is clean and easy to use. The dripless valve ensures that your station remains clean all day long.

You'll increase your service times with this fast and accurate serving system.

The ASEPT Portion Pump is designed for use with your existing FIFO Bottles™

### Features & Benefits

- NSF Listed
