condimatic[™]

AUTOMATED DISPENSING CONDIMATIC[™] SOLO

Finally, an Efficient, Automated Dispensing System

Condimatic[™] Solo simplifies operations by eliminating the hassle of CO₂ and outdated methods, delivering smooth, consistent performance at the press of a button.

The **Condimatic[™] Drive System** ensures seamless, reliable operation, with controls to adjust serving speed and portion size for precise dressing or efficient filling. It handles a range of sauces and dessert toppings (from thin to thick, including those with particulates), making it ideal for both front- and back-of-house operations.

The compact design keeps sightlines clear, and workspaces organized. Quick-connect fittings support standardized 1½- and 3-gallon packaging (with fitment), for fast and easy change-outs.

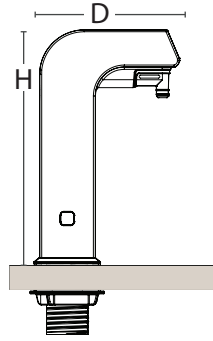

Features & Benefits

- Smooth, consistent dispensing achieves up to 98% yield
- Operates without CO₂, reducing costs and complexity
- **Condimatic Drive[™] System** controls serving speed and portion for manual or preset serving; adjustable from ¼- to 2-fl oz
- Dispenses thin to thick sauces and dessert toppings, including those with particulates
- Compatible with standard 1½-gallon pouches (16mm fitment) and 3-gallon Bag-in-Box packaging (38mm connector)
- Color-coded lids with matching flavor graphics for Ketchup, Mustard and Mayo
- Multi-flavor model includes a black lid and kit of eight graphics: Ketchup, Mustard, Mayo, BBQ, Honey Mustard, Hot Sauce, Ranch and Relish
- NSF-Listed, CiP Certified (pending) and dishwasher-safe

Serve from standard 1½-gallon pouches (16mm fitment) and 3-gallon BiB packaging

CONDIMATIC SOLO™ AUTOMATED DISPENSING SYSTEM

- Includes complete setup of all components for remote serving from 1½-gallon pouches (16mm fitment) and 3-gallon BiB packaging
- Ketchup, Mustard and Mayo models include color-coded lids with matching graphics
- Multi-flavor model includes a black lid and graphics kit for: Ketchup, Mustard, Mayo, BBQ, Honey Mustard, Hot Sauce, Ranch and Relish
